Re: *In re Puda Coal Securities Litigation* 1:11-cv-02598-KBF

Your Honor,

Pursuant to the Court's Memorandum Decision and Order, dated February 21, 2014 ("Order"), enclosed please find Plaintiff's amended complaint and exhibits thereto.

The enclosed amended complaint is the same complaint that Plaintiffs filed as an exhibit to their motion to amend (Dkt. No. 282), with the exception of the text contained in paragraph 143 and footnote 18, which explains that Macquarie has since agreed to withdraw the confidentiality designations for the Kroll Report and related documents (which were previously filed with the Court under seal) and Exhibit 3, which consists of the email from counsel for Macquarie concerning the same.

Plaintiffs intend to file another amended complaint adding Trellus's Section 10(b) claims, and updating certain facts uncovered in discovery, at such time as the Court grants Trellus's motion to intervene.

Respectfully,

Sara E. Fuks
